

FAMILY READING SCHEDULE

FEBRUARY 2025

The reading/participation links listed in the white box. (The church wide reading track is highlighted in blue.) The Family Reading Schedule follows a similar track to the church wide schedule with some adjustments. The Family Reading Schedule will focus on a reading plan with *The Biggest Story Bible Storybook* as the resource. Check out the other resources listed below. The QR codes take you to animated videos used to reinforce the readings. Some of the videos start in a similar fashion; this is to enforce the lesson with the children.
